BLOOD COLLECTION, PACKAGING AND AMBIENT SHIPMENT TO CORIELL FROM INTERNATIONAL SITES.

- **1.0** Subject consent forms must be signed before blood draw begins.
- **2.0** Remove the contents from the shipping container.
- **3.0** Draw two (2) 10-ml tubes of blood using the yellow-top Vacutainer tubes containing ACD Solution A for adult subject. Draw two (2) 5-ml tubes of blood using the purple-top Vacutainer tubes containing 15% EDTA for pediatric subject. KEEP BLOOD AT ROOM TEMPERATURE AT ALL TIMES. DO NOT REFRIGERATE OR FREEZE.
- **4.0** Assign a subject identification number (subject ID) on each tube immediately after collection of sample. Write the date the sample was collected on the label of the tube.
- **5.0** Insert filled tubes into supplied bubble pouch.
- **6.0** Using the provided SafTPak (STP)-710 (two-bag) secondary pressure vessel system:
 - 6.1 Place the bubble pouch (containing the specimens) into the clear plastic biohazard bag and seal according to the instruction on the bag. **DO NOT REMOVE THE ABSORBENT MATERIAL FROM THE PACKAGING.**
 - 6.2 Place this sealed bag into the white Tyvek biohazard envelope and seal according to the instructions on the envelope.
 - 6.3 Place packaged samples and the completed NINDS Repository Sample Submission and Shipping Form (including FedEx tracking number) into the Styrofoam-lined shipping container.
 - 6.4 What **<u>NOT</u>** to include: paper CDEs, consent forms, dry ice or ice packs.
- **7.0** DO NOT PLACE DRY ICE OR REFRIGERANT PACKS IN THE CONTAINER; SHIP THE SPECIMENS AT AMBIENT (ROOM) TEMPERATURE!
- **8.0** Place the Styrofoam lid onto the inner container and seal the top of the outer cardboard container with sealing tape.
- **9.0** Complete "USDA International Declaration Letter Template Human Blood" (See Appendix). This form is required for samples to pass through US Customs. If not completed and attached, your shipment may be delayed or returned.
 - 9.1 Copy the entire template onto your institution's letterhead paper.
 - 9.2 Please enter the total number of Vacutainers on the sheet and also sign the form.
 - 9.3 This <u>must</u> be placed on the outside of the package and should be in the same pouch as the air waybill and commercial/pro forma invoices.
- **10.0** Complete the Section 1 "From" portion of the FedEx air waybill. If this information is not completed, FedEx is likely to reject/return your package.
